We have changed the venue for the 2019 conference. The conference will be held at Pilgrim Cove in McCall, ID. Pilgrim Cove is run by the Nampa United Church of Christ (UCC) along with other UCC churches in Idaho. There are variety of cabins and RV spots available. If you choose to stay at the site, the cost of lodging will be included in your registration fee. Once you have registered and paid, you will call the Pilgrim Cove at 208-634-5555 and reserve the lodging of your choice.

A map of the grounds and cabin information have been provided (see last two pages). Please note the cabin you select may have other guests in there as well. Guests must provide their own towels, toiletries, and bedding.

The camp/event center is not ADA compliant; however, handicap assessable restrooms are available at the main lodge and one handicap assessable cabin is available as well.

Meals will be served in the dining hall. The camp will accommodate special dietary needs the best they can. Their kitchen is nut free except for almond milk. Guests may have nuts in the dining hall. If you adhere to strict dietary guidelines, please see the conference menu below and make sure to plan accordingly.
